

Experience the Magic of Sound with 'PTron Boom' Dual Driver Earphones

Hyderabad, 10th January 2018: Working-out or enjoying a sport but struggling to find the right pair of earphones? PTron, a fast-emerging audio brand creating waves among millennials, has come up with ergonomically designed earphones that snugly fit into your ears. The high-quality output of dual drivers would make you want to keep the earphones on, all day long.

PTron has launched [Boom 4D](#) Sports Earphones to enhance listening experience of millennials and Gen Z with exceptional sound quality. The in-ear stereo earphones incorporate a host of other engineering refinements too. The earplugs are ergonomically designed to fit into the ear and keep the users comfortable even as they enjoy music for extended durations of time.

Latest as they are with technology, PTron Boom 4D earphones are high on fashion as well. With three vibrant color combinations – red/black, gold/black & silver/white – consumers can pick one that suits their style statement.

Launched on LatestOne.com, the [PTron Boom 4D](#) Sports Earphones are available at introductory price of INR 699. It can also be ordered on e-commerce platforms such as Flipkart & Amazon alongside LatestOne.com.
