

### **PTron launches 'Throb' Bluetooth Dual Speaker**

*High volume, Ultra compact Portable Sound bar!*

*Exclusively available on LatestOne.com*

**Hyderabad, 12<sup>th</sup> Dec 2017:** PTron announces the launch of '[Throb](#)', a Bluetooth Dual Speaker with stereo sound. The portable speaker provides uncompromised audio quality that music lovers can carry anywhere.

PTron Throb is a powerful dual speaker that produces deep lows and crisp highs for up to 6 hours of playback time. As an extraordinary feature, PTron Throb also has Micro SD card and USB slots which allow the user to plug and play music.

With the launch of this Bluetooth speaker, PTron extends its range of multifunctional audio and communication devices at affordable prices. As per a report, the global market for portable Bluetooth speaker in the mid-range segment is expected to register a growth rate of 10% CAGR Y-o-Y by 2025.

[PTron Throb](#) has a striking appearance with ABS plastic body, metal mesh at front, perfect casting and texture. It is available in three attractive color combinations- red/black, orange/black & blue/black. To make it attractive to Gen Z and millennials, PTron Throb is aggressively priced at INR 699. It is available exclusively on LatestOne.com.

### **Features & specifications of PTron Throb:**

Ameen Khwaja, Founder, and CEO of LatestOne.com said, *“We have witnessed a rise in demand for wireless based audio devices such as Bluetooth speakers, sound bars and headphones. Portable Bluetooth audio devices have transformed the fashion in which music is played and enjoyed. PTron is continuously working on addressing the needs and demands of Gen Z and understanding their MyLuxury quotient. PTron Throb is a well balanced portable speaker developed for the mid-range segment without compromising on audio quality or battery life”.*

PTron is one of the most eminent manufacturers of mobile accessories and any buyer can access universal supportive devices under PTron brand. The USP of PTron is that the products are available at an affordable range with world class features. For Example, 10,000 pieces of the stylish PTron Viki were sold in first three days of pre-launch of which huge number of orders came from South India. Similarly other products under PTron have been highly successful with an overall sale of one million pieces.
