

LatestOne.com launches two new PTron power banks

Hyderabad 25th August 2016: LatestOne.com, India's No.1 mobile and tech accessories e-tailer has announced the launch of two new PTron power banks. This is in line with PTron's strategy of continuously innovating and introducing new products to meet rapidly changing customer needs and demands. As per the report commissioned by LatestOne.com, the Indian Power bank market size is growing at 25% per annum and expected to cross INR 1,000 crores in 2016 .

[PTron Ignite](#) is a 6000 mAh power bank while PTron Bravado is a 12000 mAh power bank. Ignite has dual USB ports with high quality battery, encased in a sleek gold color aluminum casing. Bravado also has dual USB ports and is available in three attractive color variants gold, silver and blue. PTron Ignite is priced at Rs. 799 and PTron Bravado is priced at Rs. 999. These two new PTron power banks are exclusively available on LatestOne.com.

Both the power banks are light (50gms) and easy to carry due to premium quality polymer batteries. Ignite and [Bravado](#) house dual USB ports, a Micro-USB port, LED lights, power on/off button, 1A/2.1A output and many more features. These Power banks automatically adjust their output level based on the connected device. They are compatible with smart phones, tablets, a variety of digital cameras and handheld gaming devices etc.

The Founder and CEO of LatestOne.com Mr. Ameen Khwaja said that, "PTron power banks have been appreciated by our customers and their demand is growing. Power bank market is primarily driven by increasing demand from smart phone and tablet users across the globe. Decline in the prices of power banks and growing power consumption due to large-scale digitization is expected to further boost the growth of the power bank market in the years to come. We will continue to pass on the discounts from reduced prices with the introduction of each model to our valued customers."

LatestOne.com recently launched the super slim PTron Gusto power bank for Rs 599. For more details check www.latestone.com
