

PTron launches 'Magg' magnetic earphone at just INR 499!

Exclusively on LatestOne.com!

*Mobile accessories brand 'PTron' is emerging as a specialist in earphones category*

**Hyderabad, 8<sup>th</sup> November, 2017:** PTron unveils 'Magg' a wired earphone with magnetic attraction. PTron Magg is a refined, elegant looking and ergonomically designed [earphone](#). With the launch of this product, PTron extends its range of wired in-ear earphones in the audio segment. This is in line with the brand's strategy of continuously introducing unique feature earphones to dominate the mid-market earphone segment. As per a report, the global earphones and headphone market is expected to reach USD 15.8 billion by 2025.

[PTron Magg](#) is a combination of revolutionary acoustic engineering and craftsmanship to provide ultimate audio experience. With a built-in microphone and call control features, Magg gives complete control over music and phone calls. Earphone is an essential gadget for Gen Z as it allows them to enjoy listening to their favorite music in a comfortable manner for long hours. To make it affordable to the users, PTron Magg is attractively priced at just INR 499 and it is exclusively available on LatestOne.com.

### **Here are some of the distinguished features of 'PTron Magg':**

- ✓ Magnetic ear buds, stereo sound & metal housing with strong bass
- ✓ Noise cancellation to provide clear listening experience
- ✓ Built-in mic, convenient hands-free calling, answer, reject and end calls directly with the earphones, volume up, volume down, pause & play
- ✓ Ergonomic in-ear design with soft silicone sweat-proof ear tips reduce outside noise, so you can enjoy music on the go
- ✓ Compatible with all 3.5mm audio cable jack smart phones and devices

Ameen Khwaja, Founder and CEO of LatestOne.com said, *"PTron Magg is designed uniquely with large chambers, reproduces deep and clear bass of sound by increasing the acoustic capacity and density. PTron has clearly emerged as a specialist in headphones category and very popular amongst Gen Z. I am confident that we would be selling 300,000 pieces of PTron headphones in the current quarter"*.

PTron is one of the most eminent manufacturers of mobile accessories and any buyer can access universal supportive devices under PTron brand. The USP of PTron is that the products are available at an affordable range with world class features. For Example, 10,000 pieces of the stylish PTron Viki were sold in first three days of pre-launch of which huge number of orders came from South India. Similarly other products under PTron have been highly successful with an overall sale of one million pieces.
