- ✓ LatestOne.com attracts **3.5 Million visitors** in a month
- ✓ Over 20% of the orders have been received from repeat customers

Mumbai, 17th February, 2016: In a short span of operations, tech and mobile accessories e-tailer LatestOne.com, has established itself as India's No.1 online store for mobile and tech accessories, by crossing the **one million mark**, in terms of number of orders shipped from a single online store. LatestOne.com being the sole player focused on mobile and tech accessories segment in the country, has consistently processed more than 3,000 orders a day since last quarter. Currently, the site attracts 3.5 Million visitors a month and the orders processed per day has risen to 4,000.

Latestone.com offers wide range of products include Bluetooth devices, power banks, chargers, headsets, speakers, HDMI cables, mobile covers, and cases. All these products are quality tested, stored in a ready to ship form and backed by warranty.

Mr. Ameen Khwaja, CEO and Founder, LatestOne.com said, "Our online store has crossed the one million figure landmark in the e-tailing space and we are grateful to all our customers for their overwhelming response and appreciation shown to us in the form of repeat-business. At LatestOne.com, our focus has always been on customer satisfaction and we will continue to provide our patrons with affordable quality products designed to keep pace with emerging technologies."

The specialized e-commerce portal has shipped more than 1 million orders to its valued patrons from the company's two 12,000 sq-ft warehouses, located in Hyderabad and New Delhi. LatestOne.com is successfully managing more than 10,000 SKU's from its warehouses. Since the products are original and shipped only from its own warehouses, the company has experienced just 1% refunds since commencement of operations. Almost 20% of the orders have been received from repeat customers.
