

## INDEPENDENT AUDITOR'S REPORT

To the Members of Palred Electronics Private Limited

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of Palred Electronics Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (Including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information does not include the financial statements and our auditor's opinion thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusions thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial information, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a materially misstated amount of this information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act.

# MSKA & Associates

Chartered Accountants

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Financial Statements.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

# MSKA & Associates

Chartered Accountants

- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 32 to the financial statements.
  - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- The company has neither declared nor paid any dividend during the year.
3. In our opinion, according to information, explanations given to us, the provisions of Section 197 of the Act and the rules thereunder are not applicable to the Company as it is a private Company.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE FINANCIAL STATEMENTS OF PALRED ELECTRONICS PRIVATE LIMITED

### Auditor's Responsibilities for the Audit of the Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## ANNEXURE B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF PALRED ELECTRONICS PRIVATE LIMITED FOR THE YEAR ENDED MARCH 31, 2023

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

- i.
  - (a) A. The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.  
  
B. The Company has maintained proper records showing full particulars of intangible assets.
  - (b) Property, Plant and Equipment have been physically verified by the management at reasonable intervals during the year and no material discrepancies were identified on such verification.
  - (c) According to the information and explanations given to us, there are no immovable properties, and accordingly, the requirements under paragraph 3(i)(c) of the Order are not applicable to the Company.
  - (d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) and its intangible assets. Accordingly, the requirements under paragraph 3(i)(d) of the Order are not applicable to the Company.
  - (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated in paragraph 3(i) (e) of the Order are not applicable to the Company.
- ii.
  - (a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification, coverage & procedure of such verification is reasonable and appropriate. No material discrepancies were noticed on such verification.
  - (b) During the year the Company has been sanctioned working capital limits in excess of Rs. 5 crores in aggregate from Banks/financial institutions on the basis of security of current assets. Quarterly returns / statements filed with such Banks/ financial institutions are in agreement with the books of account.
- iii. According to the information explanation provided to us, the Company has not made any investments in, provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Hence, the requirements under paragraph 3(iii) of the Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has neither, directly or indirectly, granted any loan, or provided guarantee or security to any of its directors or to any other person in whom the director is interested, in accordance with the provisions of Section 185 of the Act nor made investments through more than two layers of investment companies in accordance with the provisions of Section 186 of the Act. Accordingly, provisions stated in paragraph 3(iv) of the Order are not applicable to the Company.
- v. According to the information and explanations given to us, the Company has complied with the provisions of Sections 73, 74, 75 and 76 of the Act, the rules framed thereunder and the Circulars, notifications issued from time to time with regard to the deposits accepted. No order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal in this respect.

# MSKA & Associates

## Chartered Accountants

vi. The provisions of sub-Section (1) of Section 148 of the Act are not applicable to the Company as the Central Government of India has not specified the maintenance of cost records for any of the products of the Company. Accordingly, the provisions stated in paragraph 3 (vi) of the Order are not applicable to the Company.

vii.

(a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and other statutory dues have been regularly deposited by the Company with appropriate authorities in all cases during the year.

(b) According to the information and explanation given to us and the records of the Company, the outstanding dues of income tax, goods and service tax, customs duty, cess and any other statutory dues on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount in Lakhs	Amount Paid Rs.	Period to which the amount relates	Forum where dispute is pending
Goods and Service Tax	Claim against company not acknowledged as debt	68.68	Nil	AY 2022-23	GST Department

viii. According to the information and explanations given to us, there are no transactions which are not accounted in the books of account which have been surrendered or disclosed as income during the year in Tax Assessment of the Company. Also, there are no previously unrecorded income which has been now recorded in the books of account. Hence, the provision stated in paragraph 3(viii) of the Order is not applicable to the Company.

ix.

(a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.

(b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion and according to the information explanation provided to us, no money was raised by way of term loans. Accordingly, the provision stated in paragraph 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanation provided to us, there are no funds raised on short term basis. Accordingly, the provision stated in paragraph 3(ix)(d) of the Order is not applicable to the Company.

x.

(a) In our opinion and according to the information explanation given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Hence, the provisions stated in paragraph 3 (x)(a) of the Order are not applicable to the Company.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully, partly, or optionally convertible debentures during the year. Hence, the provisions stated in paragraph 3 (x)(b) of the Order are not applicable to the Company.

# MSKA & Associates

Chartered Accountants

- xi.
- (a) Based on our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we report that no material fraud by the Company nor on the Company has been noticed or reported during the course of our audit.
  - (b) We have not come across of any instance of material fraud by the Company or on the Company during the course of audit of the financial statement for the year ended March 31, 2023 accordingly the provisions stated in paragraph (xi)(b) of the Order is not applicable to the Company.
  - (c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year. Accordingly, the provisions stated in paragraph (xi)(c) of the order us not applicable to company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions stated in paragraph 3(xii) (a) to (c) of the Order are not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv.
- (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
  - (b) We have considered internal audit reports of the Company issued till date, for the period under audit.
- xv. According to the information and explanations given to us, in our opinion, during the year the Company has not entered into non-cash transactions with directors or persons connected with its directors and hence, provisions of Section 192 of the Act are not applicable to Company.
- xvi.
- (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions stated in paragraph 3 (xvi)(a) of the Order are not applicable to the Company.
  - (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without any valid Certificate of Registration from Reserve Bank of India. Hence, the reporting under paragraph 3 (xvi)(b) of the Order are not applicable to the Company.
  - (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Hence, the reporting under paragraph 3 (xvi)(c) of the Order are not applicable to the Company.
  - (d) The Company does not have any CIC as part of its group. Hence the provisions stated in paragraph 3 (xvi) (d) of the order are not applicable to the Company.
- xvii. According to the information and explanation provided to us, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Hence, the provisions stated in paragraph 3 (xvii) of the Order are not applicable to the Company.
- xviii. There has been no resignation of the statutory auditors during the year. Hence, the provisions stated in paragraph 3 (xviii) of the Order are not applicable to the Company.

# MSKA & Associates

Chartered Accountants

- xix. According to the information and explanations given to us and based on our examination of financial ratios, ageing and expected date of realisation of financial assets and payment of liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that a material uncertainty exists as on the date of audit report. However, the Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- xx. According to the information and explanations given to us and , the provisions of Section 135 of the Act are not applicable to the Company. Hence, reporting under paragraph (xx)(a) to (b) of the Order is not applicable to the Company.

## ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF PALRED ELECTRONICS PRIVATE LIMITED

[Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Palred Electronics Private Limited on the Financial Statements for the year ended March 31, 2023]

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

#### Opinion

We have audited the internal financial controls with reference to financial statements of Palred Electronics Private Limited ("the Company") as of March 31, 2023, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note").

#### Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

# MSKA & Associates

Chartered Accountants

## Meaning of Internal Financial Controls With reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Palred Electronics Private Limited**

**Notes forming part of the Financial Statements for the year ended 31 March 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

**1 Corporate Information**

Palred Electronics Private Limited (Formerly known as Palred Online Technologies Private Limited) ("the Company") is a private company domiciled in India and incorporated under the provisions of the erstwhile Companies Act, 1956. The Company is engaged in the business of trading in mobile and computer accessories and other electronic products. The Company has its registered office at H.No. 8-2-703/2/B, Plot No. 2, Road No. 12, Banjara Hills, Hyderabad, Telangana- 500 034.

The Company is subsidiary of Palred Technologies Limited ("Holding Company") Whose equity shares are listed in National Stock Exchange and Bombay Stock Exchange.

**2 Basis of preparation of financial statements**

*Statement of Compliance with Ind AS*

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended, issued by the Ministry of Corporate Affairs ("MCA").

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. These financial statements have been prepared for the Company as a going concern on the basis of relevant IND AS that are effective at the Company's annual reporting date 31 March 2023.

The financial statements have been prepared on a historical cost convention on accrual basis, except for the following material items in the Balance sheet:

- i) Certain financial assets and liabilities measured either at fair value;
- ii) Net defined assets/ (Liability) are measured at fair value of plan assets, less present value of defined benefit obligations.

**(i) Use of estimates and judgements**

The preparation of financial statements in conformity with Ind AS requires the Management to make judgements, estimate and assumptions that affect the application of accounting policies and the reported amount of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amount of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and in any future periods effected.

Information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements is included in the following notes:

- i. Note (c ) and (d) – Useful lives of property, plant and equipment and other intangible assets;
- ii. Note (e) – Impairment;
- iii. Note (h) – Financial instruments;
- iv. Note (l) – Employee benefits;
- v. Note (n) – Provisions, contingent liabilities and contingent assets; and
- vi. Note (m) – Income taxes

**(ii) Summary of significant accounting policies**

The financial statements have been prepared using the accounting policies and measurement basis summarized below.

**a. Functional Currency**

The financial statements are presented in Indian Rupee ('INR') which is also the functional and presentation currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest Lakhs, unless otherwise stated.

**b. Current and non-current classification**

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Division II- Ind AS Schedule III to the Act. The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current when it is:

- i. Expected to be realized or intended to be sold or consumed in normal operating cycle.
- ii. Held primarily for the purpose of trading.
- iii. Expected to be realized within twelve months after the reporting period, or
- iv. Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when:

- i. It is expected to be settled in normal operating cycle.
- ii. It is held primarily for the purpose of trading.
- iii. It is due to be settled within twelve months after the reporting period, or
- iv. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

**Palred Electronics Private Limited****Notes forming part of the Financial Statements for the year ended 31 March 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

Current assets/ liabilities include the current portion of non-Current assets/liabilities respectively. All other assets/ liabilities including deferred tax assets and liabilities are classified as non-current.

**c. Property, plant and equipment (PPE)**

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, taxes (other than those subsequently recoverable from tax authorities), borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (Major components) of PPE.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances. Capital Work-in-progress includes cost of property, plant and equipment under installation/ under development as at the balance sheet date.

Depreciation on property, plant and equipment is calculated on pro-rata basis on written down value method using the useful lives of the assets estimated by management. The useful life is as follows:

Asset	Useful life (in years)
Leasehold improvement*	Lease period
Furniture and Fixtures	10 years
Office Equipment	5 years
Electrical Equipment	10 years
Computers:	
-Servers	6 years
-End user devices such as, desktops, laptops etc.	3 years

Depreciation on additions/ disposals is provided on pro-rata basis i.e. from/ up to the date on which asset is ready for use/ disposed-off.

The useful lives are based on historical experience with similar assets as well as anticipation of future events. The residual values are not more than 5% of the original cost of the assets. The residual values, useful lives and method of depreciation are reviewed at each financial year- end and adjusted retrospectively, if appropriate.

**d. Intangible assets**

Other intangible assets are stated at cost of acquisition less accumulated amortization and impairment. These are derecognized upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Gains or losses arising from disposal of the intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the assets are disposed off.

Intangible assets are amortized over their useful economic lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The other intangible assets comprise of computer software expenditure and are amortized over a period of three years. The amortization period and the amortization method for an intangible asset is reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Asset	Useful life (in years)
Computer Software	5 years

**e. Impairment****Impairment of non-financial assets**

The carrying amounts of the Company's tangible and intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated in order to determine the extent of the impairment loss, if any.

**Palred Electronics Private Limited**

**Notes forming part of the Financial Statements for the year ended 31 March 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit for which the estimates of future cash flows have not been adjusted. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets.

An impairment loss is recognized in the statement of profit or loss if the estimated recoverable amount of an asset or its cash generating unit is lower than its carrying amount. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been previously recognized.

**Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets measured at amortized cost.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime expected credit losses. For all other financial assets, ECL are measured at an amount equal to the 12 months ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

Loss allowance for financial assets measured at amortized cost are deducted from gross carrying amount of the assets.

**f. Leases:**

**Company as a lessee**

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following: -

- i. Fixed payments, including in-substance fixed payments;
- ii. Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- iii. Amounts expected to be payable under a residual value guarantee; and
- iv. The exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortized cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'loans and borrowings' in the statement of financial position. (Refer 4)

The Company has elected not to recognize right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The Company recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

**g. Inventories:**

Inventories comprise of stock-in-trade and packing materials.

Stock-in-trade are valued at lower of cost and net realizable value after providing for obsolescence, if any. Cost includes purchase price, import duties and other taxes excluding taxes those are subsequently recoverable from the concerned authorities, freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. Cost of inventories is determined using the weighted average cost method.

Packing material is carried at cost. Cost of packing material is determined using the first-in-first-out method.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost to complete the sales.

The factors that the Company considers in determining the allowance for slow moving, obsolete and other non-saleable inventory include estimated life, planned product discontinuance, price changes, ageing of inventory and introduction of competitive new products, to the extent each of these factors impact the Company's business and markets. The Company considers all these factors and adjusts the inventory provision to reflect its actual experience on a periodical basis.

#### h. Financial Instruments

##### *Initial Recognition and measurement*

Trade receivables are initially recognized when they are originated. All other financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value and, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

##### *Classification and subsequent measurement*

##### **Financial Assets**

On initial recognition, a financial asset is classified as

- i. amortized cost;
- ii. fair value through other comprehensive income ("FVTOCI") - debt investment;
- iii. FVTOCI - equity investment; or
- iv. FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

##### *Amortized cost*

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- i. the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- ii. the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in Other Income in the statement of profit or loss. The losses arising from impairment are recognized in the statement of profit or loss.

##### *FVTOCI - debt investment*

A debt investment is measured at FVTOCI if it meets both of the following conditions and is not designated as at FVTPL:

- i. the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- ii. the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the statement of profit or loss. On DE recognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to statement of profit or loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

##### *Equity investment*

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVTOCI - equity investment). This election is made on an investment by- investment basis.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit or loss.

##### **FVTPL**

All financial assets not classified as measured at amortized cost as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVTOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

#### Financial liabilities

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit or loss. Any gain or loss on DE recognition is also recognized in statement of profit or loss.

#### a. Borrowings:

After initial recognition, interest-bearing borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to interest bearing loans and borrowings.

#### b. Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid as per agreed terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

#### De-recognition

##### Financial assets

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

##### Financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

#### Derivative financial instruments and hedge accounting

The Company uses derivative financial instruments such as forward exchange contracts and interest rate risk exposures to hedge its risk associated with foreign currency fluctuations and changes in interest rates. Derivatives are initially measured at fair value and subsequent to initial recognition, derivatives are measured at fair value, and changes therein are generally recognized in statement of profit or loss, since the Company's hedging instruments did not qualify for hedge accounting in accordance with the In-AS 39. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

#### Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value. For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposit held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### Dividend distribution to equity holders of the Company

The Company recognizes a liability to make dividend distributions to equity holders of the Company when the distribution is authorized and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

**i. Foreign currency transactions**

Transactions in foreign currencies are translated to the functional currency of the Company at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting period are translated into the functional currency at the exchange rate at that date. Non-monetary items denominated in foreign currencies which are carried at historical cost are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or any other similar valuation denominated in a foreign currency are reported using the exchange rates at the date when the fair value was measured.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

**j. Investments in the nature of equity in subsidiaries**

The Company has elected to recognize its investments in equity instruments in subsidiaries at cost in the separate financial statements in accordance with the option available in In AS 27, 'Separate Financial Statements'.

The Company regardless of the nature of its involvement with an entity (the investee), determines whether it is a parent by assessing whether it controls the investee. The Company controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Thus, the Company controls an investee if and only if it has all the following:

- (a) power over the investee;
- (b) exposure, or rights, to variable returns from its involvement with the investee and
- (c) the ability to use its power over the investee to affect the amount of the returns.

Investments are accounted in accordance with In AS 105 when they are classified as held for sale. On disposal of investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

**k. Revenue recognition**

The Company has adopted Ind AS 115- Revenue from Contracts with customers, using modified retrospective application method with effect from 1 April 2018 and accordingly these financial statements are prepared in accordance with the recognition and measurement principles laid down in Ind AS 115. The application of Ind AS 115 did not have any significant impact on recognition and measurement of revenue and related items in the financial statements of the Company.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

The Company satisfies a performance obligation and recognizes revenue over time, if one of the following criteria is met:

- i. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs;
- ii. The Company's performance creates or enhances an asset that the customer controls as the asset created or enhanced; or
- iii. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment or performance completed to date.

For the performance obligations where one of the above conditions are not met, revenue is recognized at the point in time at which the performance obligation is satisfied.

**Sale of goods**

Revenue from sale of goods is recognized where control is transferred to Company's customers at the time of shipment to or receipt of goods by the customer.

Revenue from sale of goods includes only the gross inflows of economic benefits, received and receivable by the Company, on its own account. Amount collected on behalf of third parties such as sales tax and value added taxes are excluded from revenue.

**Unbilled receivables and Unearned revenue**

Contract assets are recognized when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned revenue is recognized when there are billings in excess of revenues. The billing schedules agreed with customers could include periodic performance- based payment and/or milestone -based progress payments. Invoices are payable within contractually agreed credit period. Advances received for services are reported as liabilities until all conditions for revenue recognition are met.

**Palred Electronics Private Limited**

**Notes forming part of the Financial Statements for the year ended 31 March 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

*Interest income*

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable. For all debt instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

*Other income - Dividend income*

Dividend income is recognized when the Company's right to receive the payment is established, which is generally, when shareholders approve the dividend.

**l. Retirement and other employee benefits**

*Defined contribution plan*

The Company's contributions to defined contribution plans are recognized as an expense as and when the services are received from the employees entitling them to the contributions.

*Defined benefit plan*

The liability in respect of defined benefit plans is calculated using the projected unit credit method with actuarial valuations being carried out at the end of each annual reporting period. The Company recognizes the net obligation of a defined benefit plan as a liability in its balance sheet. Gains or losses through remeasurement of the net defined benefit liability are recognized in other comprehensive income and are not reclassified to profit and loss in the subsequent periods. The effect of any plan amendments are recognized in the statement of profit and loss.

*Short-term employee benefits*

Short-term employee benefits comprise of employee costs such as Salaries, Bonus etc. is recognized on an undiscounted and accrual basis during the period when the employee renders service of the benefit.

**m. Taxes**

Tax expense recognized in statement of profit or loss consists of current and deferred tax except to the extent that it relates to items recognized in OCI or directly in equity, in which case it is recognized in OCI or directly in equity respectively.

Current income tax, assets and liabilities are measured at the amount expected to be paid to or recovered from the taxation authorities in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) enacted in India by using tax rates and the tax laws that are enacted at the reporting date. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets and liabilities are offset if there is a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Withholding tax arising out of payment of dividends to shareholders under the Indian Income tax regulations is not considered as tax expense for the Company and all such taxes are recognized in the statement of changes in equity as part of the associated dividend payment.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent it is reasonably certain that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

As at 31 March 2023 and 31 March 2022, the Company has deferred tax asset on account of unabsorbed business loss, unabsorbed tax depreciation and other items, which have not been recognized on the grounds of prudence. Consequently, there is no deferred tax asset or liability recorded in the financial statements as at reporting periods presented.

**n. Provisions, contingent liabilities and contingent assets**

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

**Palred Electronics Private Limited**

**Notes forming part of the Financial Statements for the year ended 31 March 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

Contingent liability is disclosed for:

- i. Possible obligations which will be confirmed only by future events not wholly within the control of the Company; or
- ii. Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

**o. Cash flow statement**

The Cash flow statement is prepared as per the Indirect Method. Cash flow statement present the cash flows by operating, financing and investing activities of the Company. Operating cash flows are arrived by adjusting profit or loss before tax for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

**p. Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential ordinary shares.

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

**q. Contributed equity**

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

**r. Standards (including amendments) issued but not yet effective**

The Ministry of Corporate Affairs ("MCA") has notified Companies (Indian Accounting Standard) Amendment Rules, 2023 dated March 31, 2023 to amend certain Ind ASs which are effective from 01 April 2023:

Below is a summary of such amendments:

**(i) Disclosure of Accounting Policies - Amendment to Ind AS 1 Presentation of financial statements**

The MCA issued amendments to Ind AS 1, providing guidance to help entities meet the accounting policy disclosure requirements. The amendments aim to make accounting policy disclosures more informative by replacing the requirement to disclose 'significant accounting policies' with 'material accounting policy information'. The amendments also provide guidance under what circumstance, the accounting policy information is likely to be considered material and therefore requiring disclosure.

The amendments are effective for annual reporting periods beginning on or after 01 April 2023. The Company is currently revisiting their accounting policy information disclosures to ensure consistency with the amended requirements.

**(ii) Definition of Accounting Estimates - Amendments to Ind AS 8 Accounting policies, changes in accounting estimates and errors**

The amendment to Ind AS 8, which added the definition of accounting estimates, clarifies that the effects of a change in an input or measurement technique are changes in accounting estimates, unless resulting from the correction of prior period errors. These amendments clarify how entities make the distinction between changes in accounting estimate, changes in accounting policy and prior period errors. The distinction is important, because changes in accounting estimates are applied prospectively to future transactions and other future events, but changes in accounting policies are generally applied retrospectively to past transactions and other past events as well as the current period.

The amendments are effective for annual reporting periods beginning on or after 01 April 2023. The amendments are not expected to have a material impact on the Company's financial statements.

**Palred Electronics Private Limited**

**Notes forming part of the Financial Statements for the year ended 31 March 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

**(iii) Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to Ind AS 12 Income taxes**

The amendment to Ind AS 12, requires entities to recognize deferred tax on transactions that, on initial recognition, give rise to equal amounts of taxable and deductible temporary differences. They will typically apply to transactions such as leases of lessees and decommissioning obligations and will require the recognition of additional deferred tax assets and liabilities.

The amendment should be applied to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, entities should recognize deferred tax assets (to the extent that it is probable that they can be utilised) and deferred tax liabilities at the beginning of the earliest comparative period for all deductible and taxable temporary differences associated with:

- right-of-use assets and lease liabilities, and
- decommissioning, restoration and similar liabilities, and the corresponding amounts recognized as part of the cost of the related assets.

The cumulative effect of recognizing these adjustments is recognized in retained earnings, or another component of equity, as appropriate. Ind AS 12 did not previously address how to account for the tax effects of on-balance sheet leases and similar transactions and various approaches were considered acceptable. Some entities may have already accounted for such transactions consistent with the new requirements. These entities will not be affected by the amendments.

The Company is currently assessing the impact of the amendments.

iv) The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications.

**s. Standards that became effective during the year**

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standard) Amendment Rules 2022 dated March 23, 2022 to amend the following Ind AS which are effective from 01 April 2022 :

**References to the Conceptual Framework - Amendments to Ind AS 103**

The amendments update a reference to the Conceptual Framework for Financial Reporting without changing the accounting requirements for business combinations. The amendment also add a new exception in Ind AS 103 for liabilities and contingent liabilities.

**Property, Plant and Equipment: Proceeds Before Intended Use- Amendment to Ind AS 16**

The amendment to Ind AS 16 clarifies that any excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment.

These amendments had no impact on the year-end financial statements of the Company as there were no sales of such items.

**Onerous Contracts- Cost of Fulfilling a Contract - Amendments to Ind AS 37**

Ind AS 37 defines an onerous contract as a contract in which the unavoidable costs (costs that the Company has committed to pursuant to the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it.

The amendments to Ind AS 37 clarify, that the costs relating directly to the contract consist of both:

- The incremental costs of fulfilling that contract- e.g. direct labour and material; and
- An allocation of other costs that relate directly to fulfilling contracts: e.g. Allocation of depreciation charge on property, plant and equipment used in fulfilling the contract.

The Company, prior to the application of the amendments, did not have any onerous contracts.

As a result of the amendments, certain other directly related costs have now been included by the Company in determining the costs of fulfilling the contracts and the company does not expect the amendment to have any significant impact in its financial statement.

**Palred Electronics Private Limited**

**Summary of significant accounting policies and other explanatory information for the year ended 31 March, 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

**27 Earnings per equity share (EPES)**

Basic earnings /(loss) per share amounts are calculated by dividing the loss for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted earnings /(loss) per share amounts are calculated by dividing the profit/loss attributable to equity holders (after adjusting for interest on the convertible preference shares) by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the loss and share data used in the basic and diluted EPS computations:

	For the year ended 31 March 2023	For the year ended 31 March 2022
Profit/ (Loss) attributable to equity holders	(194.23)	(40.55)
Weighted average number of equity shares	3,48,06,574	3,48,06,574
Basic loss per share (INR)	(0.56)	(0.12)
Diluted loss per share (INR)	(0.56)	(0.12)

**28 Fair value measurements**

**(i) Fair value hierarchy**

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data either directly or indirectly.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

**(ii) Financial assets and financial liabilities measured at fair value**

	As at 31 March 2023		As at 31 March 2022	
	Level 2	Level 3	Level 2	Level 3
Financial assets				
Current Investments	-	-	-	-

There are no transfers between levels during the year. The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

**(iii) Financial instruments by category**

For amortized cost instruments, carrying value represents the best estimate of fair value.

	As at 31 March 2023		As at 31 March 2022	
	FVTPL	Amortized cost	FVTPL	Amortized cost
<b>Financial Assets</b>				
Trade receivables	-	3,209.48	-	1,641.99
Cash and cash equivalents	-	7.58	-	10.95
Other financial assets	-	11.12	-	11.00
<b>Total financial assets</b>	-	3,228.18	-	1,663.94
<b>Financial liabilities</b>				
Borrowings	-	5,303.46	-	2,977.42
Trade payables	-	19.14	-	38.86
lease liability	-	530.50	-	193.06
Other financial liabilities	-	626.45	-	150.48
<b>Total financial liabilities</b>	-	6,479.55	-	3,359.82

Set out below is a comparison by class of the carrying amounts and fair value of the Company's financial instruments carried at amortized cost:

	As at 31 March 2023		As at 31 March 2022	
	Carrying amount	Fair value	Carrying amount	Fair value
<b>Financial Assets</b>				
Trade receivables	3,209.48	3,209.48	1,641.99	1,641.99
Cash and cash equivalents	7.58	7.58	10.95	10.95
Other financial assets	11.12	11.12	11.00	11.00
<b>Total financial assets</b>	3,228.18	3,228.18	1,663.94	1,663.94

**Paired Electronics Private Limited****Summary of significant accounting policies and other explanatory information for the year ended 31 March, 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

<b>Financial liabilities</b>				
Borrowings	5,303.46	5,303.46	2,977.42	2,977.42
Trade payables	19.14	19.14	38.86	38.86
lease liability	530.50	530.50	193.06	193.06
Other financial liabilities	626.45	626.45	150.48	150.48
<b>Total financial liabilities</b>	<b>6,479.55</b>	<b>6,479.55</b>	<b>3,359.82</b>	<b>3,359.82</b>

The carrying amounts of financial assets and financial liabilities are considered to be the same as their fair values, due to their short-term nature.

- iv. The Company's principal financial liabilities, comprise other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, cash and cash equivalents and other bank balances that derive directly from its operations. The Company also holds FVTPL investments.

The carrying amounts of trade receivables, and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature. Difference between carrying amounts and fair values of bank deposits, other financial assets, other financial liabilities subsequently measured at amortized cost is not significant in each of the years presented. For all other amortized cost instruments, carrying value represents the best estimate of fair value.

For financial assets measured at fair values, the carrying amounts are equal to the fair values.

**29 Financial instruments risk management**

The Company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include market risk, credit risk and liquidity risk. The Company's risk management policies are established to identify and analyse the risks faced by the Company and seek to, where appropriate, minimize potential impact of the risk and to control and monitor such risks. There has been no change to the Company's exposure to these financial risks or the manner in which it manages and measures the risks.

The following sections provide details regarding the Company's exposure to the financial risks associated with financial instruments held in the ordinary course of business and the objectives, policies and processes for management of these risks:

**A. Market risk:**

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates (such as interest rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments. The Company's exposure to market risk is a function of investing activities.

**Interest rate risk:**

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's investments in deposits with banks and therefore do not expose the Company to significant interest rates risk. Further, the borrowing rate is subject to interest rate risk. However the same is fixed at 1.5%+ interest rates on investments in deposits. Accordingly, no interest rate risk is perceived.

**Commodity rate risk:**

Exposure to market risk with respect to commodity prices primarily arises from the Company's purchases and sales of Computers, mobiles, electronic products, fashion accessories and related services. There are commodity products, whose prices may fluctuate significantly over short period of time. The prices of the Company's purchases generally fluctuate in line with commodity cycle and are generally more volatile depending upon the market conditions. Commodity prices risk exposure is evaluated and managed through operating procedures and sourcing policies. For the reporting periods presented, the Company had not entered into any material derivative contracts to hedge exposure to fluctuations in commodity prices.

**B. Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from collection agencies. Credit risk is managed through credit approvals and continuously monitoring the creditworthiness of collection agencies to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for credit losses and impairment that represents its estimate of expected losses in respect of trade and other receivables.

**Financial assets that are neither past due nor impaired**

Credit risk on Cash and cash equivalents is limited as the Company generally invests in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Investments primarily include investment in liquid mutual fund units and certificates of deposit which are funds deposited at a bank for a specific time period. None of the Company's cash and cash equivalents including term deposits (i.e. certificates of deposits) were past due or impaired as at the reporting periods.

**Trade and other receivables**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and region in which the customer operates, also has an influence on credit risk assessment.

On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for dues from collection agencies. The provision matrix takes into account available external and internal credit risk factors such as default risk of industry, credit ratings from credit rating agencies and historical experience for customers. During the period, the Company has written off Rs. Nil of dues from collection agencies.

**C. Liquidity risk**

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company's principal sources of liquidity are cash and cash equivalents and current investments. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived. The Company closely monitors its liquidity position and maintains adequate source of funding. The Company had following working capital at the end of the reporting year.

**Palred Electronics Private Limited**

**Summary of significant accounting policies and other explanatory information for the year ended 31 March, 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

Particulars	31 March 2023	31 March 2022
Current Assets	7,115.18	4,660.74
Current liabilities	6,019.77	3,211.93
Working Capital	1,095.41	1,448.81

**D. Excessive risk concentration**

Concentrations arise when a number of counter parties are engaged in similar business activities, activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risks, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

**30 Capital risk management**

The Company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for share holders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to shareholders, return capital to shareholders, issue new shares or sell assets. The Gearing ratio as at 31 March 2023 is Nil (31 March 2022: Nil). There have been no material breaches in the financial covenants of any borrowings in the current period.

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

**39 Ratios**

S No.	Ratio	March 31, 2023		March 31, 2022		Ratio as on Friday, March 31, 2023	Ratio as on Thursday, March 31, 2022	Variation	Reason (If variation is more than 25%)
		Numerator	Denominator	Numerator	Denominator				
(a)	Current Ratio	7,115.18	6,019.77	4,660.74	3,211.93	1.18	1.45	(0.19)%	NA
(b)	Return on Equity Ratio	(194.23)	1,335.15	(40.55)	1,532.74	(14.55)	(2.65)	4.50 %	Note 1(a)
(c)	Inventory Turnover Ratio	10,798.96	2,540.86	9,317.07	1,626.98	4.25	5.73	(0.26)%	Note 1(b)
(d)	Trade Receivables Turnover Ratio	14,795.25	2,425.74	12,838.87	1,923.27	6.10	6.68	(0.09)%	NA
(e)	Trade Payables Turnover Ratio	11,595.15	29.00	10,348.64	97.18	399.83	106.49	2.75 %	Note 1(b) & Note 1(c)
(f)	Net Capital Turnover Ratio	14,795.25	1,272.11	12,838.87	1,421.95	11.63	9.03	0.29 %	NA
(g)	Net Profit Ratio	(194.23)	14,795.25	(40.55)	12,838.87	(0.01)	(0.00)	3.16 %	Note 1(a)
(h)	Return on Capital Employed	228.52	1,852.10	255.09	1,752.01	0.12	0.15	(0.15)%	Note 1(a)
(i)	Return on Investment	(194.23)	1,335.15	(40.55)	1,532.74	(0.15)	(0.03)	4.50 %	Note 1(a)

Note 1: a) Profits have been significantly reduced in the current year as compared to last financial year due to impairment of investments, increase in employee benefits and business promotion expenses.  
b) Purchases and inventory holding has been increased due to an increase in sales volume.  
c) During the year payments were made to outstanding creditors leading to a decrease in trade payables.

**Palred Electronics Private Limited**

**Summary of significant accounting policies and other explanatory information for the year ended 31 March, 2023**

(All Amounts are in Indian Rupees in Lakhs, except share data or unless otherwise stated)

**40 Undisclosed income**

The Company does not have any undisclosed income which is not recorded in the books of account that has been surrendered or disclosed as income during the year (previous year) in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

**41 Details of Crypto Currency or Virtual Currency**

The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.

**42 Compliance with number of layers of companies**
